

Mission & Giving Update: November 2022

Claudaline in Goma (Democratic Republic of Congo)

Claudaline sends her greetings (via Whatsapp) and prays that God will comfort us after the loss of Queen Elizabeth II, recognising that this was a difficult time for us.

She shared her family news, informing us that her youngest son Gethron had been unwell in October but is now recovering. In addition, her daughter Sarah will be getting married on 20th November, and Sarah's older brother will be walking her to the altar, in place of her father Desire who died in 2020. Sarah graduated with a degree in social sciences and administration in Uganda last July.

Claudaline thanks us profusely for the second gift of £750 which we sent recently, on behalf of the local school children and the vulnerable women whom she supports through agricultural projects and small business development.

Pastor George and Jackline in Uzimatele, near Nairobi, Kenya

George writes: "I want to take this opportunity to thank you for your support, donations and prayers. Thank you for the love and passion you show to the children of Uzimatele, helping us to transform our community by touching the lives of these children and giving them hope through education and spreading the love of our Lord Jesus Christ."

George again expresses his specific thanks for the donations from Cambourne Church received in late February and early May 2022 (£1561 in total after transfer). The children at the Education Centre (primary school) are doing well and they are planning a sports day and an educational trip later in November. They have been carrying out some renovations of the classrooms and also organised a community clean-up (see pictures).

George also shared that they would be very grateful to receive any extra donation that we could send in order to help to meet bills and food costs in December for the Family Home, and perhaps contribute towards some small presents for the children there. We have already sent the money we promised for 2022, but if anyone is in a position to make an extra individual contribution to the Uzimatele ministry, please make your donation to Cambourne Church, marking it clearly "Uzimatele", and we will arrange for this to be transferred. Please do this by the end of November so that we can arrange the transfer in good time for Christmas.

Many thanks for your ongoing interest in and prayer support for our mission partners.
